

ART - MINOR

This minor provides students with a prevalent view of the world of art.

A broad orientation to the visual arts is offered by the College of Performance, Visualization and Fine Arts to non-Visualization majors. Students must have a minimum cumulative GPA of 3.5 with 70 or fewer credit hours completed to apply and must maintain a C average or better in all Art minor courses. The student's home school/college/department may grant, with agreement from the College of Performance, Visualization and Fine Arts, transfer credit of no more than 6 credit hours. Transfer credit will not be accepted for any 300- or 400-level courses. Credit for study abroad (CARC) courses may not be applied to the minor in Art if an on-campus course containing similar content is offered.

Per University guidelines, the student's home school/college/department is responsible for advising students pursuing the minor in Art.

To apply, download the Art Minor Form via the PVFA website, complete it, and turn it into the Program Director, Jill Honeycutt at jhoneycutt@tamu.edu.

Exact application due dates will be posted on the PVFA website: Summer/Fall Due: Mid-March | Spring Due: Mid-October.
