GLOBAL HEALTH - MINOR

The Global Health minor consists of 15 hrs of selected upper-level Public Health coursework. Students are encouraged to select courses in consultation with a Public Health Studies Academic Advisor.

Students applying for a GHLT minor must have a 2.5 or better overall GPA and meet with a PHLT advisor to declare the minor. Students are required to meet a minimum cumulative GPA of 2.5 or better in their minor coursework. Proper classification is required for the course level taken and any minor course prerequisites must be met.

Students with a minor in Global Health will be provided with an introduction to global public health problems and health care systems.

Requirements to declare GHLT minor:

- Must have a 2.5 TAMU GPA
