

# OCCUPATIONAL HEALTH AND SAFETY - MINOR

---

The Occupational Safety and Health minor consists of upper-level Public Health coursework that should be selected in consultation with a School of Public Health Undergraduate Academic Advisor.

Students with a minor in Occupational Safety and Health minor are prepared to recognize factors that make a workplace unsafe and learn how to reduce risks for everyone. Students applying for an OCSH minor must have a 2.0 or better overall GPA. Students are required to meet a minimum cumulative GPA of 2.0 or better in their minor coursework. Proper classification is required for the course level taken and any minor course prerequisites must be met.
