The College of Science offers degrees in University Studies. A University Studies degree differs from a traditional "major" in that it consists of a concentration and two minors of 15-18 hours each. The University Studies degree format was created to provide students the flexibility to combine areas of study that are of special interest.

**Majors**

- Bachelor of Science in University Studies, Arts and Sciences Concentration ([http://catalog.tamu.edu/undergraduate/science/arts-and-sciences-university-studies-bs/](http://catalog.tamu.edu/undergraduate/science/arts-and-sciences-university-studies-bs/))
- Bachelor of Science in University Studies, Bioinformatics Concentration ([http://catalog.tamu.edu/undergraduate/science/bioinformatics-university-studies-bs/](http://catalog.tamu.edu/undergraduate/science/bioinformatics-university-studies-bs/))
- Bachelor of Science in University Studies, Mathematics for Pre-Professionals Concentration ([http://catalog.tamu.edu/undergraduate/science/mathematics-preprofessionals-university-studies-bs/](http://catalog.tamu.edu/undergraduate/science/mathematics-preprofessionals-university-studies-bs/))
- Bachelor of Science in University Studies, Mathematics for Teaching Concentration ([http://catalog.tamu.edu/undergraduate/science/mathematics-teaching-university-studies-bs/](http://catalog.tamu.edu/undergraduate/science/mathematics-teaching-university-studies-bs/))
