¹ Select from courses that meet the mathematics core requirements except MATH 167, PHIL 240, STAT 201.

² See your academic advisor for choices.

³ HIST 105 and HIST 106 are recommended, however students may choose from other American History core courses.

⁴ Must be chosen in consultation with BIMS academic advisor.

⁵ Choose any course 100-499 except MATH 102-104 (<http://catalog.tamu.edu/undergraduate/course-descriptions/math/>); only 1 credit KINE 199 may be used.

In satisfying the required 30 hours of BIMS directed electives and free electives, all 285/291/485/484/491 courses may not exceed 9 credit hours. BIMS 484 may not exceed 6 hours total. All 289/489 courses may not exceed 9 credit hours. Restrictions to be enforced by the BIMS advising office.

A minimum of 36 hours of 3/400 level coursework must be completed in residence at Texas A&M University to earn a degree.

All students are required to complete 3 hours of International and Cultural Diversity (<http://catalog.tamu.edu/undergraduate/general-information/degree-information/international-cultural-diversity-requirements/>) credit (ICD) and 3 hours of Cultural Discourse (<http://catalog.tamu.edu/undergraduate/general-information/degree-information/cultural-discourse-requirements/>) (CD) credits. A course satisfying a core

category, a college department requirement, or a free elective can be used to satisfy this requirement. Select in consultation with academic advisor.
