Residence

A student must complete 18 credit hours in resident study at Texas A&M University to satisfy the residence requirement for the Master of Fine Arts in Visualization degree. A minimum of 15 credit hours of 693 must be completed as resident hours.

Students who are employed full-time while completing their degree may fulfill total residence requirements by completion of less-than-full time course loads each semester. In order to be considered for this, the student is required to submit a Petition for Waivers and Exceptions along with verification of his/her employment to the Graduate and Professional School.

See Residence Requirements (<http://catalog.tamu.edu/graduate/academic-expectations-general-degree-requirements/#degreerequirementstext>).

Time Limit

All degree requirements must be completed within a period of seven consecutive years for the degree to be granted. A course will be considered valid until seven years after the end of the semester in which it is taken. Graduate credit for coursework that is more than seven calendar years old at the time of the final examination (oral or written) may not be used to satisfy degree requirements.

Foreign Languages

A foreign language is not required for the Master of Fine Arts in Visualization degree.

Internship or Practicum

An internship is not required as part of the Master of Fine Arts in Visualization degree requirement in order for the student to graduate. A student can receive credit for up to 8 hours of internship.
