

# NURSING - BSN, SECOND DEGREE BSN TRACK

The second degree (post-baccalaureate) track is for students who already hold a bachelor's degree in another field of study. Acceptance into this track requires successful completion of prerequisite coursework prior to beginning upper division courses. All students will be required to complete core curriculum requirements if these were not met in the previous degree program. Contact the Office of Student Affairs for more information. This program is offered on the Round Rock campus.

## Upper Level Entry to the Second Degree Bachelor of Science in Nursing

Admission to the College of Nursing professional program is competitive.

Admission decisions are based on:

- The strength of multiple elements in the student's academic background
- Minimum grade of C in each prerequisite course and a recommended minimum cumulative grade point average of 3.0 (on a 4.0 scale)
- One NursingCAS application completed by the published deadline for the desired admission term. All academic information included on the application must be posted to and appear in the student's official record at Texas A&M.
- HESI A2 score – minimum score of 75% in each required section
- Timed verbal and written assessments of the student's attributes and experiences, to include community service, leadership, work experience, and activities in health care
- Limited number of course repeats, withdraws, or failures in academic history

### External Transfer Applicants

All applicants to the second-degree program use the external transfer application.

## Program Requirements

### First Year

Fall		Semester Credit Hours
BIOL 107 or BIOL 111	Zoology or Introductory Biology I	4
PBSI 107	Introduction to Psychology	3
American history ( <a href="http://catalog.tamu.edu/undergraduate/general-information/university-core-curriculum/#american-history">http://catalog.tamu.edu/undergraduate/general-information/university-core-curriculum/#american-history</a> ) <sup>1</sup>		3
Communication ( <a href="http://catalog.tamu.edu/undergraduate/general-information/university-core-curriculum/#communication">http://catalog.tamu.edu/undergraduate/general-information/university-core-curriculum/#communication</a> ) <sup>1</sup>		3
Mathematics ( <a href="http://catalog.tamu.edu/undergraduate/general-information/university-core-curriculum/#mathematics">http://catalog.tamu.edu/undergraduate/general-information/university-core-curriculum/#mathematics</a> ) <sup>1,2</sup>		3
<b>Semester Credit Hours</b>		<b>16</b>

Spring		
PBSI 225	Lifespan Development <sup>2,3</sup>	3
Select one of the following: <sup>2</sup>		4
CHEM 106 & CHEM 116	Molecular Science for Citizens and Molecular Science for Citizens Laboratory	
CHEM 107 & CHEM 117	General Chemistry for Engineering Students and General Chemistry for Engineering Students Laboratory	
CHEM 119	Fundamentals of Chemistry I	
CHEM 120	Fundamentals of Chemistry II	
American history ( <a href="http://catalog.tamu.edu/undergraduate/general-information/university-core-curriculum/#american-history">http://catalog.tamu.edu/undergraduate/general-information/university-core-curriculum/#american-history</a> ) <sup>1</sup>		3

<b>Semester Credit Hours</b>		<b>15</b>
<b>Total Semester Credit Hours</b>		<b>120</b>

<sup>1</sup> Core Curriculum courses are listed on the University Core Curriculum (<http://catalog.tamu.edu/undergraduate/general-information/university-core-curriculum/>) page. STAT 201 is recommended to fulfill 3 hours of Mathematics, but is not required.

<sup>2</sup> Indicates Nursing Science course.

<sup>3</sup> These courses may be taken at a community college, but must be completed by the first day at the School of Nursing. Students may elect to place these courses anywhere in their schedule, though it is encouraged that these be completed over the summer.

<sup>4</sup> Texas common courses BIOL 2401 and 2402 taken at any Texas accredited public institution will meet the requirement for BIOL 319 and BIOL 320.

BSN students must make a minimum grade of C in all courses.
